

Your Lake, Your Legacy

You can help preserve and protect Lida Lakes!

Enhance Shoreline Vegetation

- Keep natural vegetation intact
- Minimize fertilizer use
- Plant buffer strips

Protect Adjacent Forests

- Conservation easements
- Sustainable Forest Initiative Act

Implement Ag Best Management Practices

- Plant cover crops and buffer strips
- Install sediment control basins
- Other projects that reduce runoff

Technical and financial assistance
West Otter Tail SWCD

Maintain Septic Systems

- Smart septic practices
- County cost-share program

Technical and financial assistance
Otter Tail County Septic Resources
